

Everything under control

Track. Manage. Know.

With CMT you have all your correspondence flow in your hands. Easily handle all communications between your staff and constituents, reduce operational costs, & eliminate redundant work. CMT users range from Members of Congress to local government tax collection officials.

With CMT you can:

- Track constituents and all their incoming & outgoing communications (mail, email, phone)
- Save images of correspondence
- Search for people and send them merged mailings
- Send scripted video messages for collections notifications and more

Improve team productivity, performance, & pride
